ABOUT US

HAS Business Bureau L.L.C-FZ is a Business Hub that provide all Business & Management Solutions under one roof. We are aimed to be "The Business Caretakers" backed by diligent associates working as one team with a common goal to craft 360° value for the stakeholders.

Our aim is to harness the business capabilities of our clients. We offer two-folded integrated consultancies:

- **First:** how to be preemptive, insightful, and respond to the current and emerging tax, fiscal and other regulatory developments in the corporate landscape, and manage risk by keeping pace with the corresponding compliance.

- **Second:** how to leverage business potentials to achieve strategic goals, unleash the potential of people, re-imagining the ecosystems and lift the organizations by transforming the opportunities into tangible assets for a sustainable and better future.

We understand that every client is different, and we work closely with them to reduce the gap between the stakeholders and the regulatory counsels and help them navigate the complexities of the corporate regulatory and compliance mandate.

- We earned a reputation by demonstrating the difference in delivering high quality, reliable, agile and evidence-based customized consultancy on a variety of Tax and Business aspects to our diversified clients.

We welcome you to consult us first to benefit from our experience, knowledge and business insights of evolving region.
